**Statement from Kentucky Chamber President and CEO Dave Adkisson on the passing of Prichard
Committee Executive Director Bob Sexton**

Kentucky has lost one of its best and most loyal friends. Bob Sexton has been an institution in Kentucky for several decades and, over the years, has made a profound difference in the lives of millions of school children. I don't know of any one person who was so universally respected by business, political and education leaders. The Kentucky Chamber of Commerce mourns the loss of Bob Sexton but celebrates the profound impact of his work on Kentucky's schools.
