Kentucky Wage & Hour Update

March 16, 2022

Griffin Gate Marriott Golf Resort & Spa
Lexington, Ky.

Why Attend

Wage and hour law is never static. It's in a constant state of uncertainty. Every day decades-old statutes are being reinterpreted in real time, industry practices are being questioned by plaintiffs' lawyers, and new technologies and business models are redefining conventional notions of what constitutes "employment." This day-long program will address some of the hottest topics in wage and hour law, including wage and hour compliance for a remote workforce, calculating overtime for hourly workers, "wandering worker" challenges, and so much more. The program will end with a general round table to help employers develop strategic solutions and implement practical measures that will benefit and sustain your workforce, ensure compliance, and reduce risk.
