18TH ANNUAL KENTUCKY Environmental Conference

Presented by **Dinsmore**
LEGAL COUNSEL

August 13-14, 2020
Embassy Suites by Hilton
Lexington/UK Coldstream

Why attend ...

Where can you find the latest information on Kentucky and federal environmental policies and regulations, as well as information on new environmental compliance mandates? The Kentucky Chamber of Commerce will provide this and more at our 18th Annual Kentucky Environmental Conference.

You will leave this conference with a detailed, up-to-the-minute review of major environmental regulatory issues that affect your facility. Register today, and we guarantee you will return to work with insights that will help you do your job better and help your company improve its compliance practices and bottom line.

This conference is ideal for new or experienced environmental management professionals, including ...

- Environmental directors
- Environmental managers and staff
- Engineers
- Facility compliance professionals
- Attorneys
- Consultants

Continuing Education

CEU and CPE

This program may be eligible for CEU and CPE credits. Contact your professional board to find out what's required.

Credits pending approval.

Kentucky Chamber Membership

It's not too late to take advantage of the Kentucky Chamber member discount. To learn more about membership, call 502-695-4700 and ask for a membership representative.

Money Back Guarantee

If you are not 100% satisfied with your seminar experience, we will refund your money.

Rave reviews for past conferences ...

Great summary on current EPA regulations and speakers responses to questions. Good insight on current legislation and what cabinets priorities are. Material was current and relevant to current trends.
Rebecca Cash - LG&E and KU Energy LLC

Good Q&A moments.
Jason W. Caple - LL Flex, LLC

All industry should attend this conference. Great opportunity for Chamber members and regulated state industry to engage and learn EPA core mission. Thank you!
Ricky Cox - Voestalpine Roll Forming Corporation

Great to have so many regulators here.
Esther Epps - Vitro

Good to hear from regional administrators and learn expectations/focus of what EPA will be doing. Good overview of what came out of the legislative session and what Kentucky Chamber will be working on. A lot of information. Good overview and helpful on what to expect.
Jason Wilkerson - LG&E and KU Energy LLC

Great info!
Earl Kirkpatrick - American Fuji Seal, Inc.

Very informative. Good concise presentation with key points explained.
Raymond Hayes - Link-Belt Cranes

Very informative.
Michael Darst - Katayama American Company, Inc.

Valuable and detailed information presented. Mr. Hemker's presentations are always interesting and very informative.
Rob Martin - Trace Die Cast, Inc.
