I really loved how there were so many statistics given.

Always a pleasure listening to Carolyn Brown.

Informative, speaker was very passionate about topic.

Amazing presentation and super informative. The speaker was very energetic, which kept me engaged.

Really useful information. Speaker answered many questions.

Great to have inspector on the panel.

Excellent!

Love hearing Mark Klan! Most entertaining presentation!

I really loved how knowledgeable Mark Klan was. The presentation was impressive.

Good perspective!

Great case examples.

Mary Walker was very insightful and refreshing.

Helpful to know what is coming down the pipeline. Great summary on current EPA regulations and speakers responses to questions. Good insight on current legislation and what cabinets priorities are. Material was current and relevant to current trends.

Good Q&A moments.

All industry should attend this conference. Great opportunity for Chamber members and regulated state industry to engage and learn EPA core mission. Thank you!

Great to have so many regulators here.

Good to hear from regional administrators and learn expectations/focus of what EPA will be doing. Good overview of what came out of the legislative session and what Kentucky Chamber will be working on. A lot of information. Good overview and helpful on what to expect.

Great info!

Very informative. Good concise presentation with key points explained.

Very informative.
