2012 VOTING RECORD

Find out how your legislators voted on key business issues

EACH LEGISLATIVE SESSION, legislators vote on hundreds of bills that could affect Kentucky's business climate. It's crucial they make well-informed decisions about a bill and its potential impact to the Commonwealth. That's why the Chamber's Public Affairs team informs legislators of the potential impact – both good and bad – legislation may have on employers. We provide expert testimony at committee meetings, produce informative legislative briefs and personally meet with legislators, creating a valuable dialogue between employers and policymakers. We do all of this with the belief that knowledge is key to a successful state and business climate. But now we turn that knowledge over to you – the constituent.

The Chamber has compiled a list of key bills that received a full vote in the House or Senate during the 2012 Kentucky General Assembly. Descriptions of these bills can be found on the preceding pages. These bills were chosen for having significant meaning to the business community, and each one was publicly supported or opposed by the Chamber in advance of the legislative vote. The objective of this information is to provide you with the knowledge to evaluate your legislators and hold them accountable for their actions in the General Assembly. Find your legislators on the chart and see firsthand how they voted. Did your state legislator work for laws that encourage job growth or act contrary to your interest?

EXPLANATION OF BILLS USED IN VOTING RECORD

The roll call votes you see in this record reveal how legislators voted on bills the Kentucky Chamber publicly supported or opposed during the 2012 General Assembly and Extraordinary Session. Although we took positions on several bills, the voting record includes only those that received a full vote before the entire House and/or Senate. Please note that the substance of a bill may be significantly altered during the legislative process. Unless otherwise noted, the legislation referenced in the voting record is based on the final version of the bill receiving a floor vote for each house. To access the language of the bills highlighted in this document, the Kentucky Chamber invites you to visit the Legislative Research Commission's website at lrc.ky.gov.
