### Benefits of Sponsorship

"The networking benefit is unsurpassed, and for KY political junkies, there is simply no better gathering!"

"Patronize these people (sponsors). Give your business to people like this. I'm grateful to you for being corporate citizens, not only who employ people, not only who put your livelihoods out there everyday on behalf of your fellow citizens but who step up financially as well as go above and beyond to make events like this possible."

**- Governor Matt Bevin**

Kentucky Chamber Day draws government dignitaries and more than 1,500 business leaders from across the state to hear addresses by the Governor and House and Senate leadership. [Listen to Governor Bevin emphasize the importance of sponsorship in the video below!](#)
