## Why Attendees Will Come

This conference offers the latest information on Kentucky and federal environmental policies and regulations, as well as information on new environmental compliance mandates. Attendees will leave this conference with a detailed, up-to-the-minute review of major environmental regulatory issues that affect their facilities. They'll also return to work with insights that will help improve compliance practices and positively impact their companies' bottom lines.

## Who Attends?

This conference is ideal for new or experienced environmental management professionals.

## Why Participate?

With an expected attendance of over 100, your company will have the opportunity to connect with your target audience during various dedicated times for sponsors — both breakfasts and all breaks are held with you in the exhibit booth area. Join us for lunch and continue the connections and conversations.

Sponsors enjoy prime exhibit booth placement with ample time for interaction with attendees. Sponsors are key to the overall success of the conference. We welcome your organization's participation and look forward to displaying your logo on the marketing materials and providing your company with added recognition and visibility.
