

Kentucky Chamber

# 29<sup>th</sup> Annual Kentucky Environmental Permitting and Reporting Conference

presented by

**DENTONS**

July 14-15, 2026

Hilton Lexington Downtown

## Sponsorship Opportunities

# 29<sup>th</sup> Annual Kentucky Environmental Permitting and Reporting Conference

## Why Attendees Will Come

This conference is the most complete and comprehensive permitting and reporting course offered in Kentucky. Attendees will receive the information needed to understand environmental permitting programs and current information on reporting issues facing the regulated community. This is the one conference environmental professionals cannot afford to miss.

## Who Attends?

- Plant personnel responsible for air and water permitting
- Managers who review permit applications and work with corporate staff and production to plan for and implement changes in operations
- Facility personnel who must review new permits and evaluate whether to accept permit conditions or challenge them
- Persons responsible for compliance with environmental requirements
- Facility personnel who develop plans or work with consultants to develop plans to address contamination on site
- Persons responsible for dealing with waste management issues at the facility

## Why Participate?

With an expected attendance of over 100, your company will have the opportunity to connect with your target audience during various dedicated times for sponsors — both breakfasts and all breaks are held with you in the exhibit booth area. Join us for lunch and continue the connections and conversations.

Sponsors enjoy prime exhibit booth placement with ample time for interaction with attendees. Sponsors are key to the overall success of the conference. We welcome your organization's participation and look forward to displaying your logo on the promotional materials and providing your company with added recognition and visibility.
