2021 Attendee Response

I am bringing more people with us for next year! Can't wait!

I don't see how you will be able to top this years event. Great job, great day.

I thought it was a great event. The speakers were outstanding.

It was a great event that left me and my colleagues feeling inspired and part of a community. Thanks for hosting!

This was a WONDERFUL event. I left feeling challenged, inspired, and encouraged.

Such a refreshing, inspiring, and worthwhile way to spend the day! Thank you for putting this on.

It was absolutely the best summit, conference or meeting I've ever attended, and I've attended many. Our entire table was thrilled and will be bringing others next year.

Wonderful event! Great to see so many powerful women, and I loved that they were able to be strong and show emotion at the same time.

I can't wait until next year. I would like to bring more women with me.

This was a much needed and an amazing opportunity for all women in the commonwealth. I am proud to say I was able to present and listen to so many great women in business and politics. As a student it was a highlight of my summer.

I plan to attend next year and bring many more women with me. Everyone in my group shared my sentiment about what a wonderfully inspiring event this was. Thank you for doing this! This sort of support and engagement in the community of women leaders is very much appreciated.
