5TH ANNUAL KENTUCKY WORKFORCE SUMMIT

What is the Kentucky Workforce Summit?

Creating a highly skilled workforce requires strong public programs and leadership from the private sector. The Kentucky Workforce Summit will focus on what is happening right now in Kentucky — and what needs to happen going forward — to ensure the quality of the state's workforce and improve the state's economic position at home and around the globe. Experts from industry and government will share insights and information about building a talent pipeline of workers, creating employer-led collaboratives to address specific workforce needs, using data to make decisions about training and hiring, and developing programs that let people learn new skills while gaining experience on the job.

Who Attends?

- Policy leaders
- Human resources personnel and HR consultants
- Business owners
- Personnel directors and managers
- Employee relations specialists
- Career and technical educators
- Trade association members
- Education professionals from P-12 and postsecondary
- State and local workforce innovation board members

Why Should You Participate?

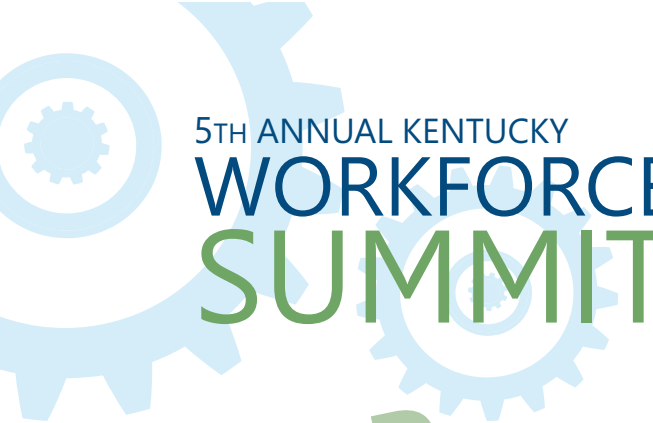

With an expected attendance of 200, your company will have the opportunity to connect with your target audience during various dedicated times for exhibitors and sponsors — both breakfasts and all breaks are held with you in the exhibit booth area. Join us for lunch and continue the connections and conversations.

Sponsors and exhibitors enjoy prime exhibit booth placement with ample time for interaction with attendees. They are key to the overall success of the conference. We welcome your organization's participation and look forward to displaying your logo on the promotional materials and providing your company with added recognition and visibility.
