TESTIMONIALS

This was the best event I have ever attended. I left feeling energized and inspired.

I really enjoyed the diversity of the speakers and the topics covered. I thought it was very interesting mix.

Excellent speakers!

Very well organized and the speakers were fantastic because of their diverse topics.

Excellent, diverse speakers that brought a lot of inspiration and insight into a variety of topics.

Great speakers, great content, great food/drink, loved the jewelry. Damaris' cooking demo was a nice way to break up the traditional discussion topics.

Probably the best lineup of speakers in total over the last several years! Fantastic!

Speakers were excellent, food was great, venue was great.

The speakers were really inspirational! I specifically enjoyed the honesty of Tara Conner.

We have attended all five years and always find this event to be top notch!

Amazing day with dedicated women.

Speakers were especially good this year... great day!
