If you're looking to make an impact with the best and brightest businesses in the state...look no further.

WHAT IS THE ANNUAL MEETING?

This year's Annual Meeting holds special significance as we celebrate two milestones: the Kentucky Chamber's 80th anniversary and America's 250th anniversary. It's a fitting moment to reflect on decades of progress for the Commonwealth's business community while looking ahead to the future.

The Annual Meeting is an evening reception and dinner boasting more than 1,200 in attendance. It's a time for us to celebrate with our members the key accomplishments of the past year and look ahead to the future, as we continue our mission to improve the business climate in the Commonwealth. You'll hear from a speaker with a truly historic vantage point on our nation — the 43rd President of the United States George W. Bush.

With a C-level audience of Kentucky's best and brightest business leaders, the Annual Meeting will bring your company increased visibility and countless networking opportunities.
