AI Business Accelerator

WHAT IS THE AI BUSINESS ACCELERATOR PROGRAM NEW Training Program!

The **Kentucky Chamber AI Business Accelerator** is a **hands-on training program** designed for professionals at all levels who want to use artificial intelligence to work more productively, efficiently, and effectively. Through practical instruction, live demonstrations, real-world examples, and guided exercises, attendees will learn how to use AI to improve research, writing, communication, data analysis, documentation, and everyday workflow tasks.

This is an interactive working session, not a theoretical overview. **Attendees should bring a laptop (no tablets, please)** and be prepared to apply what they learn throughout the day. Whether attendees work in leadership, administration, marketing, sales, HR, operations, finance, or support roles, this program is designed to help them use AI in practical ways that save time, improve work quality, and reduce friction in day-to-day responsibilities.

Attendees will leave with usable skills, repeatable workflows, and a practical 90-day action plan to begin applying AI in their work.

WHO ATTENDS?

This program is designed for professionals across departments and levels who want practical ways to use AI in their daily work, including:

- Individual contributors and team members
- Managers and department leaders
- Business owners and executives
- Professionals in marketing, sales, HR, operations, finance, customer service, and administration
- Anyone looking to save time, improve work quality, and become more effective with AI

You will leave with practical strategies, sample workflows, and a clearer understanding of how to use AI in your role and across your team.

WHY SHOULD YOU PARTICIPATE?

With an expected attendance of 100-125, your company will have the opportunity to connect with your target audience during various dedicated times for sponsors — breakfast and breaks are held with you in the exhibit booth area. Join us for lunch and continue the connections and conversations.

Sponsors enjoy prime exhibit booth placement with ample time for interaction with attendees and contribute to the overall success of the program. We welcome your organization's participation and look forward to displaying your logo on the promotional materials and providing your company with added recognition and visibility.
