

# GET OUT THE VOTE

KYCHAMBER.COM/VOTE

Dear Kentucky Business Leaders,

Every election is a decision about Kentucky's future. The leaders chosen this November will make decisions that shape our economy, our workforce, and the communities where we live and do business. When more Kentuckians take part, those decisions better reflect the people they affect.

That's why I'm asking for your help. As trusted voices in your communities, you are uniquely positioned to make sure Kentuckians have the information they need to vote.

This effort is not about supporting a candidate or influencing how anyone votes. It is about participation, and helping every eligible Kentuckian know when, where, and how to cast a ballot.

No-excuse early voting runs October 29-31, and Election Day is November 3.

The Kentucky Chamber's Get Out the Vote resource center has everything in one place: key dates, polling locations, sample ballots, candidate information, ready-to-share graphics, and a printable flyer. Please share these resources with your employees, members, and networks.

A strong Kentucky depends on engaged citizens. Thank you for helping make that possible in your community.

Sincerely,
