

Do you work with disaster survivors?

If you work with disaster survivors affected by the July 2022 eastern Kentucky floods, SBP is offering **FREE FEMA Appeal Training** to learn the necessary tools to maximize assistance for survivors and ensure they receive all eligible FEMA assistance.

**SBP
can
help:**

- FREE resources to support the application process:
 - FEMA Resource Guides
 - FEMA Appeal Letter templates
- Tools and best practices
- Guidance throughout the FEMA process

Scan this QR code to access FREE videos, guides, and other recovery resources.

For FEMA application and appeal information or to connect with our support team for FREE assistance, email femahelp@sbpusa.org or call:

1 (800) 276-9511

Quick tips

1. Encourage survivors to pick up their phones - a FEMA inspector may call to conduct a remote inspection of their home.
2. When appealing, they should not send photos to FEMA - they won't look at them!
3. Recommend survivors use a licensed and insured contractor to provide an estimate of damages - they'll need it.
