**Get peace of mind with the strength of a care network serving millions locally and nationwide**

- ▶ Serving millions of people in Kentucky for more than 80 years
- ▶ Part of the nation's largest health benefits company
- ▶ Part of the BlueCard program through the Blue Cross Blue Shield Association, which includes more than 1.7 million doctors and hospitals nationwide that contract with Blue Cross Blue Shield companies, more than any other insurer<sup>1</sup>

You deserve an easy, affordable way to offer high-quality healthcare to your employees. The ChamberAdvantage plan, available through the local Chamber of Commerce, offers small businesses in your state access to comprehensive healthcare benefits at rates usually reserved for larger organizations. These plans are designed specifically for businesses that are members of a local chamber. They include the benefits, programs, and services that reflect your local communities.

## **Big benefits for small business**

When you join the ChamberAdvantage plan, your small business becomes part of a large, self-funded group that shares in the overall claims risk with other small businesses. As part of this group, you'll enjoy the financial protection backed by Anthem's stop loss coverage, and a flexible choice of plans designed exclusively for ChamberAdvantage plan participants. Lower, predictable costs and easier administration make it a great alternative to Affordable Care Act (ACA) plans, letting you focus on running your business — not your health plan.

## **A healthy business depends on healthy employees**

Along with financial peace of mind, you can offer your employees access to care through one of the nation's largest networks of high-quality doctors, hospitals, and other healthcare professionals. Eligible businesses also receive expanded health and wellness tools, services, and resources designed to empower employees to make more-informed healthcare decisions that can improve health and help lower costs for everyone.

### Add on benefits and see how they connect — with Anthem Whole Health Connection®

By adding dental and/or vision benefits to your medical coverage, not only do you get a discount, but your benefits are connected. This helps doctors see a complete view of a person's health, resulting in better outcomes, efficiencies, and savings.

# Frequently asked questions

## What is a MEWA ChamberAdvantage plan?

The ChamberAdvantage plan is a self-funded employee welfare benefit plan, trust, or other arrangement that is established or maintained for the purpose of offering group insurance to chamber members. It is governed by trustees and bylaws that satisfy the Kentucky Department of Insurance.

## Who makes the decisions for the Kentucky Chamber of Commerce?

There is a board of trustees that oversees the plan and ensures that it complies with all applicable laws and regulations.

## Why choose the ChamberAdvantage plan over an ACA plan?

By being part of a self-funded group, a business shares overall claims risk, as well as the cost for financial protection provided by stop loss coverage. Being part of a larger group also gives a business access to competitive, predictable rates and high-quality benefits through one of the largest national healthcare networks. In addition, expanded access to innovative tools, programs, and services empowers employees to make more-informed healthcare decisions that can improve their health, and can lower overall group costs.

## Which businesses are eligible to participate?

The ChamberAdvantage plan is available to small business employers who:

- Have two employees enrolled in their medical plan.
- Have their corporate headquarters located in Kentucky.
- Are members in good standing with a chamber of commerce that is qualified to offer the ChamberAdvantage.

Two-person groups can participate in the plan even if only one person enrolls in coverage, as long as there is a valid waiver.

## Do businesses have to join a local Chamber of Commerce to participate in the plan?

Yes, a business needs to join a local Chamber of Commerce to be eligible for the ChamberAdvantage plan. Chamber members have access to a full range of high-quality plans and options that can lead to significant savings. Contact your local chamber of commerce for details about chamber membership dues and how to join. Brokers can contact their Anthem representative to learn more about requirements for selling the plan, including joining a local chamber.

## Do businesses need to meet certain participation and contribution requirements?

Yes. At least 50% of eligible employees must be covered under the plan.

## Can a business join the ChamberAdvantage plan at any time during the year?

Yes. Renewals for participating businesses in the ChamberAdvantage plan occur in June and October of each year.

## How are monthly payments determined?

There are multiple factors that impact the premium equivalent rate, including:

- Medical history and expected future health claims risk of enrollees
- Age and gender of enrollees
- Number of people enrolled
- Where the business is located
- Benefits being offered

## What costs are included in the premium equivalent rate?

The premium equivalent rate covers expected claims, administrative expenses, taxes and assessments, and stop loss premiums.

## Are there other payments to make in addition to the premium equivalent rate?

Yes. In addition to monthly medical premiums, businesses receive invoices for product dues, and must also pay membership dues to the chamber of which they are a member.

## How will the annual renewal increase be determined?

Any overall increase needed for the ChamberAdvantage plan will be calculated based on a projection of the claims for the upcoming policy year for the entire plan. The increase for each participating business will then be calculated based on their specific risk profile and claims history, as well as any changes in their demographics and number of enrollees.

## Can a business terminate the plan at any time?

During the policy period, a business may only elect to withdraw from the plan at the end of a calendar month.

## We currently have an Anthem health plan. Will our employees have to change their doctors?

The ChamberAdvantage plan uses Anthem Blue Cross and Blue Shield's Blue Access healthcare provider network — one of the largest networks in the state. To make sure doctors are in the plan's network prior to receiving any service, employees can use [anthem.com](https://www.anthem.com) or our Sydney Health app to find care.

## Are dental, vision, life, and disability options available?

Yes, participating employers in the ChamberAdvantage plan are eligible for other plans offered by Anthem. These are stand-alone, fully insured plans for which the participating employer contracts directly with Anthem.
